Strength/s:
The office provides a supportive and professional environment for trainees. The personnel are approachable and willing to provide guidance, allowing trainees to gain practical experience in computer troubleshooting, hardware and software maintenance, networking, and other technical tasks.

Area/s Needing Improvement:
There is an opportunity to further enhance the use of digital tools, IT systems, and automated processes to improve efficiency in managing documents, data, and other office operations.

Recommendation/s:
Continue providing trainees with hands-on experience in computer hardware, software, networking, troubleshooting, and system maintenance to further develop their Computer Engineering skills and technical competence.
